## The Approach

### What was the scope of their involvement?

deltAlyz helps us use Power BI. We go to them whenever we have a specific problem, and they teach us how to solve it. Additionally, they've also helped us build automation and integrations within Power BI.

### What is the team composition?

Our main point of contact is Rabi (CEO), but there are a total of 3-4 teammates working on the project.

### How did you come to work with deltAlyz Corp.?

Rabi facilitated a course on Power BI, which we attended. We were having difficulties using the platform, so we reached out to Rabi.

### How much have you invested with them?

We've spent about \$100,000.

### What is the status of this engagement?

The project started in September 2020, and it's ongoing.

## The Outcome

### What evidence can you share that demonstrates the impact of the engagement?

Everyone in our company loves the team. Whenever we have a problem, deltAlyz is ready to solve it with everything they've got. Furthermore, their intuition and skill set are both incredibly strong.

## How did delatAlyz Corp. perform from a project management standpoint?

Their project management is solid. I can reach out to the team anytime, and they're always responsive. We use Asana to manage the project, and tracking the project has been pretty straightforward.

## What did you find most impressive about them?

They're a good mix of qualitative and quantitative skills. Furthermore, their solutions are always well thought out – they even take a deep dive into every element to ensure that everything works together seamlessly. Overall, the delatAlyz team has been able to solve all our issues.

## Are there any areas they could improve?

I have nothing bad to say about the team – delatAlyz has done a great job.

## Do you have any advice for potential customers?

Be clear about your goals and keep yourself organized. Additionally, stay open to their suggestions.
